

**DEI Headquarters, Inc.**  
**One Viper Way Vista California 92081 USA**

Federal Communications Commission  
Office of Engineering and Technology

Organization: DEI Headquarters, Inc.  
Product: ALARM DEVICE  
FCC ID: EZSDEI471H

The original model no.: 471H. The multiple-listing model number is 7111A.

Picture:

We have the following new configurations (class II permissive) for the above FCC ID:

1. The need to change the layout for cosmetics needs.
2. Component sourcing requirement (smaller 0402).
3. No changes have been to the frequency controlling circuitry (SAW resonator).

The following exhibits are not submitted since they have not changed from the original:

- a. ID Label/Location
- b. Schematics
- c. Block diagram
- d. Users manual
- e. Operational description

Sincerely,

*Annie*
