Models: 7656X  
7656V  
OBRS-1554  
GSRS-1554  
ASRS-1554

**Family letter**

This letter explain that Directed are using different models (Viper 7656V, Clifford 7656X and Autostart OBRS-1554, GSRS-1554, ASRS-1554 ) on this product.

All this models uses the same (PCB, HW/RF and software ), the only change is the casing cosmetic.

Sincerely,

Minas Minassian  
Sr. director, hw/rf systems
