Letter of Understanding – FCC Rules

1. CFR47-90.219 - I have read and fully understand the contents of 90.219 and TX RX works with our customers to fully comply with these rules.
2. Frequency Listing – We also understand that this equipment as certified for Part 90 can only be used on authorized frequencies within the 450-470 MHz band and that it is a violation of FCC rules if the device is operated on unauthorized frequencies.
