Compliance Testing LLC
1724 S. Nevada Way
Mesa, AZ 85204

FCC ID: EZZ61470
Model: 614 (450-470MHz)
SBIII UHF Digital Signal Booster

Letter of Understanding – FCC Rules

To Whom It May Concern:

1. CFR47-90.219 – We have read and fully understand the contents of 90.219 and Bird Technologies works with our customers to fully comply with these rules.
2. Frequency Listing – We also understand that this equipment as certified for Part 90 can only be used on authorized frequencies within the 450-512MHz band and that it is a violation of the FCC rules if the device is operated on unauthorized frequencies.

Sincerely,

A handwritten signature in black ink, appearing to read "Amy L. Sanvido", is written over a light blue horizontal line.

Amy L. Sanvido
