c/o : Randall Clark, Certification Engineer

Dear Randall,

SR Telecom Inc. would like to inform CKC and the OET (Office of Engineering and Technology) of the FCC that the following products, FCC id. F34STRIDE2400-SBS (applications E03-000090) and FCC id. F34STRIDE2400-STC (application E03-000091), have each been discontinued from the SR Telecom product line. Furthermore we would also like to inform you that neither of these two products is still in operation in the continental United States or elsewhere. Please process the certification dismissal of these two products.

If you have any questions, please do not hesitate to contact the undersigned.
