Dear Application Examiner:

B&B Electronics is submitting this Class II Permissive Change Application for their 802.11bg radio card, Airborne WLAN Module, Model 930-8090-01C-G (also known as “enzo DP551”), FCC ID: F4AWLNG551. B&B Electronics is seeking a limited modular approval of the radio installed in the Handheld Group sp400x All in One Scanner Printer, utilizing a new chip antenna.

No other changes have been made to the radio module. A test report and other technical exhibits have been submitted in support of the Class II Permissive Change.

Your efforts in reviewing this application are greatly appreciated.

Sincerely,

Name: Paul Harrington
