Re: Change of Identification Authorization, FCC ID: QNPWS4969

Date: Nov.18, 2005

To Whom It May Concern:

This letter grants authorization for representatives of Digital Security Controls Ltd. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Secure Wireless, Inc. RF Remote control for Security System, FCC ID: QNPWS4969. We are aware that Digital Security Controls Ltd. intends to market the above referenced product under their own FCC ID: F5305WS4969

Sincerely,

Jeff Christensen
