**To Whom It May Concern:**

**Subject: Validity of Test Results from Testing / Certification of the integrated Module**

WE, Digital Security Controls, a division of Tyco Safety Products Canada Ltd., having a business address at 3301 Langstaff Rd., Concord, ON L4K4L2, Canada:

This is to confirm that the results from conducted tests applied to the radio module Roving Networks Inc., model RN-171 with **FCC ID: T9J-RN171** and **IC: 6514A-RN171** which is incorporated in our host equipment DSC, Model WiFi422SCW with **FCC ID: F5312WiFi422SCW** and **IC: 160A-WiFi422SCW** and as reported in module test report: W6M21012-11105-C-1 issued by Worldwide Testing Services (Taiwan) Co., Ltd. on February 8<sup>th</sup>, 2011 accurately represents the test results under the new conditions when the identified radio module is integrated in the identified host equipment.

By integration of the said radio module into the identified host equipment no changes were made to it or by external adaptation circuitry that impacts the validity of the results of the original module's test reports.
