

COMP IDENTIFICATION DOCUMENT This document is the primary record of the design and construction of the equipment described herein. It shall be maintained in the original form and shall be available for inspection at all times. It shall be controlled and its distribution restricted to authorized personnel only.	
DESIGNER [Signature]	DATE [Date]
PROJECT NO. [Number]	REV. [Number]
ISSUED BY [Name]	DATE [Date]
APPROVED BY [Signature]	DATE [Date]

ITEM NO.	DESCRIPTION	QTY.	UNIT
1	Resistor 10K	100	PC
2	Capacitor 0.01	50	PC
3	Transistor 2N4350	10	PC
4	Diode 1N4148	20	PC
5	IC 7410	5	PC

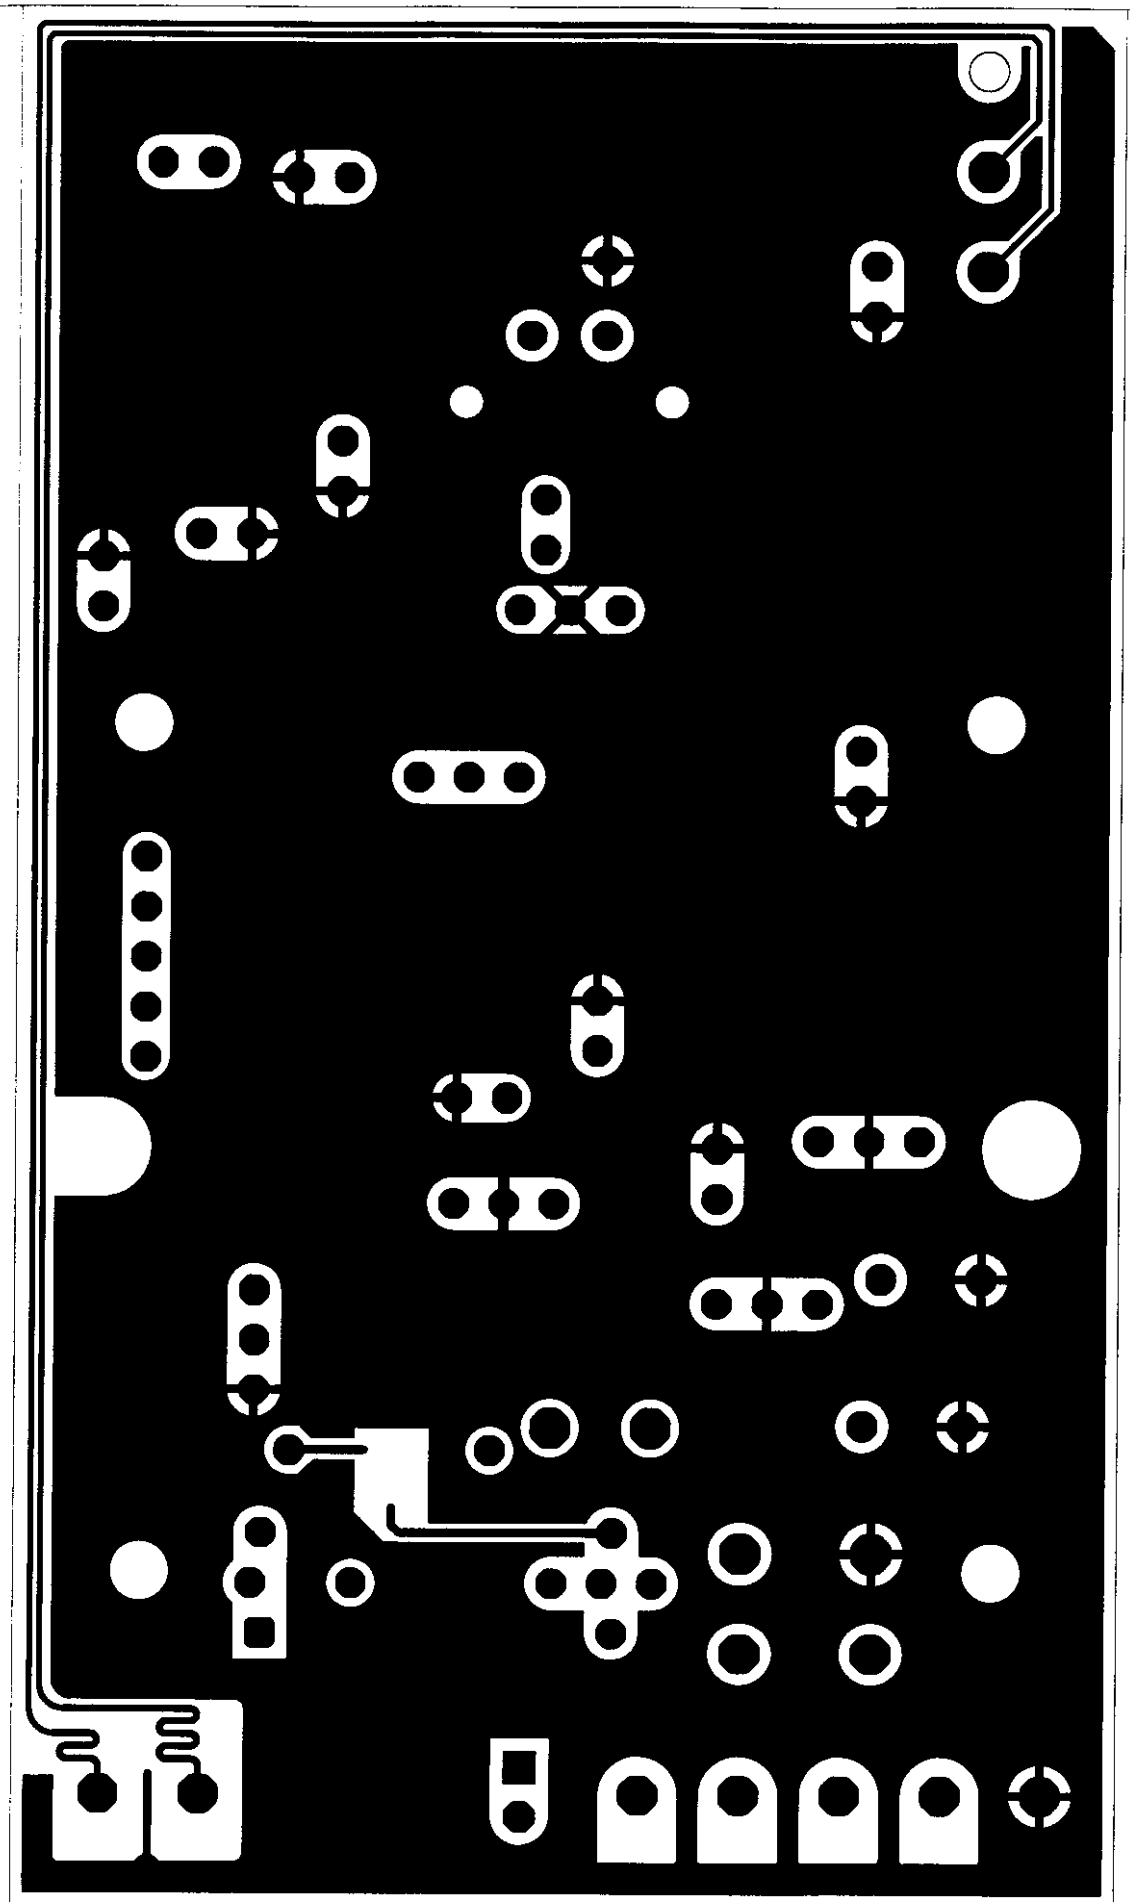

REVISIONS [Table with columns for revision number, date, and description]
