Re: *Schlumberger Resource Management Services, Inc.*
Response to Request for Further Information
FCC ID: F9CCMM1200
Reference No.: 19030

Dear Mr. Dayhoff:

We are writing in response to your request for further information concerning an application we filed on behalf of Schlumberger Resource Management Services, Inc. to transfer the FCC Identification number of device F9CCMM1200. On December 15, 2000, we electronically and manually filed a cover letter with accompanying attachments responding to requests made on October 16, 2000 via e-mail correspondence (Reference Nos. 16591). We supplemented our response to the request on December 21, 2001, by electronically and manually filing a cover letter and a sketch of the new label for the device, and again on January 31, 2001, by electronically and manually filing a cover letter and an RF Emissions Statement.

On May 4, 2001, we received e-mail correspondence from you requesting further information regarding F9CCMM1200 (Reference No. 19030). Specifically, you asked that we submit a current photograph of the general appearance of the device, and upload the photograph in the "External Photos" folder.

In response to the May 4, 2001 requests, we are electronically submitting this letter and uploading into the External Photograph exhibit folder associated with the pending application in

the Office of Engineering and Technology's ("OET") application database a current photograph of the general appearance of the device.

Please note that the location and positioning of the new FCC ID label, (the appearance of which was submitted in sketch form, as discussed above, on December 21, 2000, pursuant to section 2.1033(b)(7) of the Commission's rules), will not change in future production of the device from the location or positioning of the old label.

Should you have any questions regarding this matter, please contact Zachary Zehner at (202) 383-3424 to expedite resolving any outstanding issues regarding the pending application.

Sincerely,

WILKINSON BARKER KNAUER, LLP
