FCC ID: F9C-CMM1301
Reference Nos.: 16649 and 16592.

Dear Mr. Dayhoff and Ms. Green:

We are writing to supplement our response to your request for further information concerning an application to transfer the FCC Identification number of device F9C-CMM1301. On December 15, 2000 we electronically and manually filed a cover letter with accompanying attachments responding to the requests made by Ms. Green on October 16, 2000 and Mr. Dayhoff on October 17, 2000 via e-mail correspondence (Reference Nos. 16649 and 16592). In our submission, we explained that regarding the requirements of section 2.933(b)(5), referencing the photographs required by section 2.1033(b)(7), we were endeavoring to obtain a sketch of the new label to be used in future production of the device. Please find attached a sketch of the new label. The positioning of this new label on the device will not change from the positioning of the old label.
