

Labeling on Transmitter Board

R300S FCC ID LABEL

The FCC ID Label,

FCC ID: F9CR300S-1

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES.
OPERATION IS SUBJECT TO THE FOLLOWING TWO
CONDITIONS. (1) THIS DEVICE MAY NOT CAUSE HARMFUL
INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY
INTERFERENCE RECEIVED INCLUDING INTERFERENCE THAT
MAY CAUSE UNDESIRABLE OPERATION.

Labeling on External Meter

Units built at the factory that contain the meter and transmitter will be shipped with a label printed to include the FCC ID (see below). Units installed as an option in the field will have a small label installed by the technician performing the upgrade in the field. This label will be placed in the same area shown below
