**RE: Request for Withholding from Public Disclosure Proprietary Information
Submitted Pursuant to an application for Certification Of Schlumberger RMS, Inc.
FCC ID: F9CTALPCNMIU1
Drawing Title and Number: RF Circuit Board Schematic 12278-000**

To whom it may concern:

In regard to the submission for FCC certification of the Schlumberger Resource Management Services, Inc. device which is subject of the application for certification identified above, Schlumberger Resource Management Services, Inc. hereby respectfully requests, under the provisions of 47 CFR Section 0.459, that the schematics (RF Circuit Board Schematic 12278-000), and associated technical descriptions of the device which is the subject of the application, and which are submitted with the application, be held under confidential status. This exhibit should be referenced when reviewing Schlumberger Resource Management Services, Inc.'s application for certification.

This device contains technology which is licensed to Schlumberger RMS, Inc. from CellNet Data Systems, Inc. of San Carlos, CA. This licensing agreement requires Schlumberger to request this letter of confidentiality for this product.

Therefore, we respectfully request that the FCC maintain all of our records in strictest confidence, specifically, we are interested in protecting the electrical schematic (RF Circuit Board Schematic 12278-000). The propriety information contained in these documents is of an extremely sensitive nature and would be of great use to our competitors.

The schematic (RF Circuit Board Schematic 12278-000) of this product contains trade secrets of the applicant and CellNet Data Systems, Inc., as set forth in Section 552(b)(4) of the Freedom of Information Act (Title 5, US Code), and as provided for in 47 CFR Section 0.457(d).

Respectfully Submitted,

Kent Murray
Director of Engineering
