

Label Location of WZR-HP-G54

FC

FCC ID : FDI-09101457-0

The compliance statement provided in Section 15.19 “Labelling requirements” is too large to be printed on this label. Therefore the statement is written in the user manual.

The label is affixed to the equipment with robust adhesive. It fastens the label on the equipment firmly until the end of the equipment life span in normal use. Therefore this labelling means complies with the requirement of 2. 295 (d)
