Re: Co-Submission and Duplicate Report Authorization for Buffalo Inc.

Dear Christine,

On behalf of my client Airgo Inc. this letter grants authorization for representatives of Buffalo Inc. to have duplicate reports produced in their company name for the product listed below.

This letter further authorizes Compliance Certification Services to supply the necessary Airgo documentation to Buffalo Inc. so that they may complete applications for regulatory certification co-submissions against the following Airgo product(s)

Buffalo EUT info.:

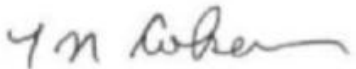

EUT name:2.4GHz True MIMO Radio Module
Model:WZR-G108
FCC ID:FDI-09101462-0

Airgo EUT info.:

FCC ID: SA3-AGN1223AR0300
Model:AGN1223AR-03
CCS Project Number: 04U2916

To the best of our knowledge the products described are electrically identical. Only the EUT name, model name and trade name are different. We aware that Buffalo Inc. intends to market the above referenced product under their own brand name.

Sincerely,

T.N. Cokenias
Agent for Airgo Networks Inc.
