Re: Blanket authorization to CCS on behalf of Airgo Networks Inc. to use compliance documentation provided to Tto add additional model numbers and trade names.

Dear Christine,

On behalf of my client Airgo Networks Inc., this letter grants authorization for representatives of Compliance Certification Services to directly use Airgo compliance documents issued on behalf of T.N. Cokenias Consulting, in the creation of reports and applications for identical equipment being sold under different applicant names, trade names, and model numbers.

The purpose of this authorization is to expedite the processing of new minimum filing/multiple-listing type applications requested by Airgo, their manufacturing partners, and CCS sales offices located in the United States and Asia.

Sincerely,

A handwritten signature in blue ink that reads "T.N. Cokenias". The signature is fluid and cursive, with a long horizontal stroke at the end.

T.N. Cokenias
Agent for Airgo Networks Inc.
