Dear Errol / Kwok:

Submitted herewith, on behalf of LG Information & Communications, Ltd., is an amendment in response to your e-mail dated July 20 requesting additional information for the subject application.

1. Attached are the SPEAG SAR test system dipole validation results provided by the SAR system manufacturer, and PCTEST Lab's results for comparison, with tabulated data and plot including tissue dielectric parameters.
2. Attached are the revised SAR test plots indicating crest factor used.
3. Attached is the E-field probe calibration information confirming the calibration is current.

We trust this information is sufficient to issue the grant. Should you have any further questions, please do not hesitate to contact us.

Thank you.
