CAUTION – RISK OF ELECTRIC SHOCK. Do not use if outer lamp envelope is damaged or broken. To avoid injuries, be careful when handling broken glass. Turn the power off and let the bulb cool before inspecting or replacing it. Light for decoration purpose.

**FR**  
ATTENTION - RISQUE DE CHOC ÉLECTRIQUE. Ne pas utiliser si l'enveloppe est endommagée ou cassée. Pour éviter les blessures, manipuler le verre cassé avec précaution. Coupez le courant et laissez l'ampoule refroidir avant de l'inspecter ou de la remplacer. Éclairage décoratif uniquement.

**ES**  
PRECAUCIÓN. RIESGO DE DESCARGA ELÉCTRICA. No utilizar cuando la envoltura externa de la lámpara esté dañada o rota. Para evitar daños, manipular el vidrio roto con precaución. Desconecta la corriente eléctrica y deja que la bombilla se enfríe antes de revisarla o reemplazarla. Iluminación decorativa.

Please note that changes or modifications of this product is not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
