RE: Request for Confidential Treatment of Block Diagram
FCC ID No: FIH-F4-06476-LP

Dear Sirs:

The block diagram for the F4 RFID printer is considered by Amtech to be confidential information. The file transmitted to the Commission is marked "Amtech Confidential Information"; unfortunately, the confidential flag on the web page was (inadvertently) not marked as such. A separate request for confidentiality (including the block diagram) has been transmitted to the Commission.

Please treat this drawing as confidential.

Respectfully,

Wesley M. Mays
Engineering Manager
Amtech Systems Division
Intermec Technologies Corporation
