Columbia, MD 21046

To Whom It May Concern:

The letter grants authorization for a representative of Best Data Products Inc. to apply for a new FCC identification. This authorization applies to Aztech product's 4 port Ethernet router with WLAN. FCCID: I38DSL605EW, granted on 2006-10-18. The equipment is electrically identical. The only change will be the label on the device. The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment.

Should there be any question, please feel free to contact us.

Sincerely,
