Dear Mr. Dichoso:

On behalf of our client, Cherish Enterprise, we respectfully request an extension till December 31, 1999 to respond to your email of 10/6/99. They were unable to answer immediately because the information was relayed to them by their Taiwan contact person very late.

Please consider this request also for the other application which has "deferred" status, under FCC ID: FNXCR-255, Confirmation # EA94886.

Once again, we thank you for your assistance concerning these issues.

Regards,

Gaspara Lim
