

The image shows the back of a white, rectangular electronic device, possibly a portable media player or a small tablet, lying on a yellow surface. The device has a white plastic casing with several screws visible on the back. A white label with the text "FCC ID : FSUGKZG6" is centered on the back. Below the device, a yellow label with the number "89062202" is visible. Two small, rectangular white components are placed above the device.

FCC ID : FSUGKZG6
