SUBJECT: EVERSPRING INDUSTRY CO., LTD FCC ID: FUF004

To Whom It May Concern:

The test laboratory confirmed that the " OET Guidance on Measurements for Direct Sequence Spread Spectrum Systems " test procedure was used. Also they confirmed that the harmonics were measured to the 10th Harmonic.

Page 35 of the test report shows a computer test set up, which the test labs says shows the EUT in the charging mode.

Sincerely,

Sid Sanders
