# INCLUDED IN THE PACKAGE

- One **VTech® Super Sound Karaoke**
- Quick Start Guide

**WARNING:**

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

**NOTE:**

Please save this Instruction Manual as it contains important information.

**ATTENTION :**

Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches, étiquettes, cordons et vis d'emballage. Ils ne font pas partie du jouet.

**NOTE :**

Il est conseillé de sauvegarder ce manuel d'utilisation car il comporte des informations importantes.

**Unlock the Packaging Locks**
① Rotate the packaging locks 90 degrees counterclockwise.

② Pull out the packaging locks.

# GETTING STARTED

## Note:

This product is in Try-me mode in the packaging. Plug the Microphone into any Mic Jack to exit Try-me mode.

## BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned **OFF**.

2. Locate the battery cover on the back of the unit.

3. Remove old batteries by pulling up on one end of each battery.

4. Install 6 new AA (LR6/AM-3) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance).

5. Replace the battery cover.

---
⚠ WARNING:
Adult assembly required for battery installation.
Keep batteries out of reach of children.

⚠ ATTENTION :
Les piles ou accumulateurs doivent être installés par un adulte.
Tenir les piles ou accumulateurs hors de portée des enfants.

---

## IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

### RECHARGEABLE BATTERIES:

- Remove rechargeable batteries from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

## POWER ADAPTOR CONNECTION 🚂

- Make sure your Super Sound Karaoke is turned off.
- Locate the AC Adaptor Jack on the back of the unit.
- Connect an AC Adaptor (not included) to the AC Adaptor Jack.
- Plug the adaptor into a power outlet.
- Press the Power Button to turn the system on.

**Note:** When the unit is not going to be used for an extended period of time, unplug the adaptor.

## Safety information:

We recommend using a power supply (AC/DC adaptor) of the below specification: Power rating: 12V/2A DC output with 3.5mm plug (positive centre).

- Never clean a plugged in product with liquid.

- Please examine the power supply periodically for conditions that may result in the risk of fire, electric shock, or injury to persons (such as damage to the supply cord, output cord, plug, blades, housing, or other parts) and that, in the event of such conditions, the power supply should be scrapped.

# CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

# TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit back **On**. The unit should now be ready to use again.
5. If the unit still does not work, insert a new set of batteries

**IMPORTANT NOTE**

If the problem persists, please call our **Consumer Services Department** at **1-800-521-2010** in the U.S.,**1-877-352-8697** in Canada, or visit our website **vtechkids.com** and fill out our **Contact Us** form located under the **Customer Support** link. Creating and developing VTech products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to contact us with any problems and/or suggestions you might have. A service representative will be happy to help you.

## NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**FCC STATEMENT**

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L'appareil ne doit pas produire de brouillage;

(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

## Radiation Exposure Statement

This equipment complies with FCC/IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.
