Re:

- FCC ID: G8JMMI01
- Grantee: American Meter Company

To Whom It May Concern:

Our client, AMCO Automated Systems, LLC, previously known as American Meter Company, has noticed that the Emission Designator is incorrect on their grant dated March 26, 1999. The emission designator should be 6K00A3D instead of 85K6A1D since this device is not an FM modulated device.
