Confidentiality Request regarding application for certification of FCC ID: G95-RD900WB

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

Exhibit B: Description of Circuit Functions

Exhibit C: Block Diagram and Schematic Diagram

The above materials contain trade secrets and proprietary information not customarily released to the public. Thomson has developed a proprietary digital modulation scheme for this product, which we feel gives us a performance and cost advantage over other products in this category. Public disclosure of these materials may be harmful to Thomson by providing unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.
