

Cancellation of FCC ID Request Letter

FCC ID: G95-TC8706-C  
Device Name: Cable Modem  
Model No.: TC8706-C  
Date: 2013-05-31  
Ref: Request for Cancellation of Existing FCC ID

Dear Sir or Madam:

With regard to the referenced application, Technicolor USA, Inc. requests the cancelation of the existing FCC ID of said device due to the necessity of re-test of the FCC Output Power with optimized transmission.

All related RF output power measurement will be verified and recorded in the test reports.

Be informed that this product is not yet mass produced and not yet sold in the market with the FCC ID of G95-TC8706-C.

The re-submission and request for the same FCC ID will be presented to the TCB with the valid FCC Part15C , Part15D and Part15E reports.

Sincerely,

By: Nancy Boettner (Signature)      By: NANCY BOETTNER (Printed)
