Not applicable. DRO BEA-T4 is a component not a final product.

3. Product Label

HVIN: DRO BEA-T4
FCC ID: G9B-100606
IC: 4680A-100606 →

The small label will be placed on this location and will extend slightly on the corner as shown by the drawing.

4. Technical Specification (if applicable)

Not applicable

5. FCC Label (if applicable)

Due to the small size of the product , the following label will take place on the **final product**.

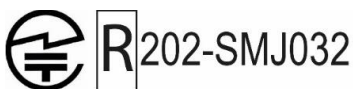

Note: Sticker material
P/N 41.5505
Dimensions: 38.1 x 31.75 mm or 1.5" x 1.25" inches
(equivalent: 430 x 350 pixels)

Scale: 1x1

Model: 7

6. TELEC Label

This label will be placed on the sensor itself, not on the DRO module. It will also appear in the user guide.

7. TUV Label (if applicable)

Not applicable.
Label will be applied on final product.

8. Laser Safety Labels (if applicable)

Not applicable.
No laser source.
