Subject: FCC Part 15 Original Application for  
ATLINKS USA, Inc.  
Model 26900XXX-A  
FCC ID: G9H2-6900A  
Marstech Report No. 23085D

Gentlemen:

We are herewith submitting an original filing for ATLINKS USA, Inc. for their Model 26900XXX-A [where "XXX" is any letter or number which represents trade name, colour and packaging for marketing purposes], for Part 15 certification.

The subject model is a 900MHz single-line cordless telephone with caller ID and stuttered dial tone features.

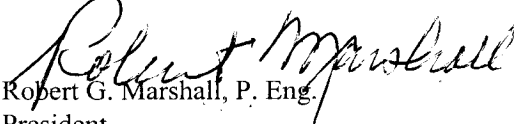

All required tests in compliance with FCC Part 15 Rules have been completed with satisfactory results as shown in the enclosed report.

Please also note that the Model 26900XXX-A meets the new rules (150kHz to 30MHz) FCC Power Line Conducted Limits.

We trust that you will find the above satisfactory. Should you have any questions or require further information, please do not hesitate to contact us.

Yours very truly,

MARSTECH LIMITED
