Attention: Mr. Sid Sanders

Subject: FCC Part 15 Class II Permissive Change Application for
ATLINKS USA, Inc.
Model 27925XXX-A
FCC ID: G9H2-7925
Marstech Report No. 21378D

Gentlemen:

We are herewith submitting a modification filing for ATLINKS USA, Inc. for their previously registered Model 27925XXX-A [where "XXX" is any letter or number which represents trade name, colour and packaging for marketing purposes], for Part 15 Class II Permissive Change certification.

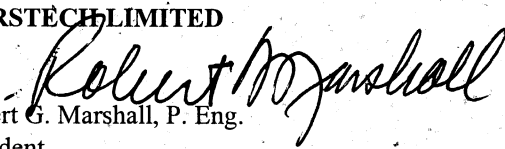

The alternate construction consists of component changes and different antennae.

All applicable tests in compliance with FCC Part 15 Class II Permissive Change Rules have been completed with satisfactory results as shown in Exhibit D.

Please review this project at your earliest convenience and please do not hesitate to call us should any problem arise.

Yours very truly,

MARSTECH LIMITED
