To whom it may concern,

**Purpose of Change Letter**

I, the undersigned, hereby confirm that the change of original certified model :  
28225XXX-A (FCC ID: G9H2-8225A) are:

- Add additional separate charger unit
- No RF device in charger unit

The reason of the change is selling separate charger unit in US market. There is no circuit/design change of the original approved unit. The RF module of original approved unit remains the same and doesn't intend for maximum power and change on field strength rating.

If you have questions or need further information, please contact the undersigned.

Regards
