To Whom It May Concern:

Purpose of Change Letter
For Model 29115XXX-A

This letter is to provide additional information regarding the Application of Permissive Change for our model 29115XXX-A based on previously certified model 29111XXX-A.

The construction, dimensions and electrical circuits of the Handset and Base RF modules as well as the antenna remain the same as before.

The main difference is to add the TAD function on model 29115XXX-A. (Model 29115A is with TAD function and 29111A is without TAD function.)

All design including electronic and electrical designs remains the same except the above-mentioned changes.

The above-mentioned change is not intended for maximum power and change on field strength ratings.

Should you have any query, please do not hesitate to contact the undersigned.

Yours Faithfully,

Terence Pang
Approval Manager
