

January 14, 2000

Thomson Consumer Electronics
101 West 103rd Street
P.O. Box 6139
Indianapolis, IN 46209-1102

Ref: 12AK0 and 12BK0

Subject: GE Thomson model 26921XXX-B

To Whom It May Concern:

The subject project was received on 1/14/00 and assigned the above reference numbers.

Our records indicate that this project is to cover a Class II Permissive Change for the FCC and Industry Canada. Our fee for the testing of the GE Thomson model 26921XXX-B is US\$1940.00. This includes \$1550.00 for testing, a \$45.00 FCC application fee and a \$345.00 fee for the Industry Canada application and certificate. If you feel that this information is incorrect, please advise us at your earliest convenience.

Please advise disposition of samples upon completion of this project. We will require your courier name and account number if you wish them returned. If not, they will be destroyed 60 days after approval.

CONFIDENTIALITY NOTE: YOU ARE OUR CUSTOMER AND WE WILL HANDLE ALL ASPECTS OF YOUR SAMPLES, PAPERWORK, AND APPLICATION CONFIDENTIALLY. IF YOU WISH FOR US TO DISCLOSE ANY INFORMATION OR SPEAK WITH ANYONE ABOUT YOUR PROJECT, YOU MUST NOTIFY US IN WRITING. OTHERWISE, WE WILL NOT DISCLOSE ANY INFORMATION OR SPEAK WITH ANYONE OTHER THAN YOU ABOUT YOUR PROJECT.

If you have any questions, please let us know.

Sincerely,

Eric F. Dobson
