Mr. Frank Coperich

FCC

SUBJECT: COLUMBIA TELECOMMUNICATIONS GROUP Inc. FCCID: GAFFRS-
CS14

REFERENCE: EA99585

Mr. Coperich,

1. Attached you will find a corrected 731 form that indicates the correct power of 250mW.
2. Also you will find radiated emissions on the transmitter done by the substitution method.
3. Also we have attached a warning statement that will be added to the user manual.

If you have any further questions please let us know.

Best Regards,

Sid Sanders
