FOR INDOOR USE ONLY

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with below part 15 of FCC Rules.
Part 15 Subpart C
Part 15 Subpart E

The modular transmitter within the HaptX airpack is only FCC authorized for the specific rule parts (i.e., FCC transmitter rules) listed on the module's grant,

The HaptX airpack (101-100) has also been tested to be compliant to Part 15 Subpart B with the modular transmitter installed.

The module inside of the HaptX airpack has been installed professionally using an antenna approved for use by the module's manufacturer and therefore complies with the antenna and transmission system requirements of §15.203

Since there is no space for an FCC ID on the internal module, the FCC ID is located in the module manufacturer's manual as well as the module information provided below.
