Re: FCC ID GDI-M680  
Applicant: DataCard Corporation  
Correspondence Reference Number: 9576  
731 Confirmation Number: EA95352  
Date of Original E-Mail: 09/09/1999

The two labels that you submitted under Exhibit 1 are not acceptable. Read Section 2.925(a) of our Rules. You must submit a drawing or photograph of the identification label and the complete FCC IDENTIFIER must be displayed on this label.

The location label should have the FCC IDENTIFIER and not FCC #.

Please submit revised labels with the necessary information displayed on them.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108.

DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at [www.fcc.gov](http://www.fcc.gov), Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, a message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

9/16/99

JAUNICE GREEN

ATTACHED IS THE CORRECT INFORMATION YOU REQUESTED. THE FCC ID: GDI-M680 IS ALL ON ONE LINE, ON THE LABEL. LET ME KNOW IF YOU HAVE ANY OTHER QUESTIONS.

THANK YOU

SUSAN BECKER

# Labeling & User Information Samples

## User Information - Section 15.21 Addendum to User Guide

**“Notice to Users of Printers Equipped with Contactless Smart Card Coupler”**  
**“The contactless smart card coupler emits radio-frequency waves and must be used as installed and recommended by Credentia, the printer manufacturer. You may not modify the coupler or how it is used without the written permission of Credentia. You may not operate the printer after modifying the coupler or it’s method of operation.”**
