

XIRGO TECHNOLOGIES

To Whom It May Concern:

Subject: Validity of Test Results from Testing / Certification of an integrated Radio Module

WE,
**Xirgo Technologies, Incorporated,
188 Camino Ruiz, 2nd Floor, Camarillo, CA 93012**

confirm that the results from conducted tests acc. to the relevant FCC rule parts and IC radio specification standards as applied in the course of initial FCC and IC certification for the radio module

ublox LISA-C200A (FCC-ID: R5Q-LISAC200A, IC: 8595B-LISAC200A)

and which is incorporated in our host equipment

**GPS Asset Tracking Device, FCC-ID: GKM-XT4850C,
IC: 10281A-XT4850C, Model: XT-4850C**

and as reported in the module test report:

#2012 12225324 FCC, 12-07-2012, Nemko USA, Inc.

accurately represent the test results under the new conditions when the identified radio module is integrated in the identified host equipment.

By integration of the said radio module into the identified host equipment no changes were made to it or by external adaptation circuitry that impacts the validity of the results of the original module's test reports.
