

Re: Change of Identification Authorization, FCC ID: QDS-BRCM1028

Date: 3-17-2009

To Whom It May Concern:

This letter grants authorization for Compal to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Broadcom Corporation, 802.11b/g WLAN PCI-E mini card, model BCM94312MCG, FCCID: QDS-BRCM1028. We are aware that Compal intends to market the above referenced product under their own FCC ID: GKR- BCM94312MCG.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel Lawless", is written over the word "Sincerely,".
