

Compal Electronics Inc

No.581, Ruiguang Rd., Neihu District, Taipei, 11492 Taiwan

Tel: 886-2-8797-8588

Date: May 23, 2014

Subject: Attestation Letter (FCC ID: GKR-TP00064AUC) (IC ID: 2533B-TP00064AUC)

To whom it may concern,

The device incorporates an approved module (FCC ID: RYQ-NF2)(IC ID:6719C-NF2), which is unmodified and therefore the original test results contained the following test reports,

Test Report No.: FG352141A (*for GSM850/1900/WCDMA V/IV/II*) and

Test Report No.: FG352141B (*for LTE Band 5/2/4/7/13/17*)

are representative for the TP00064AUC device and accurately represent test results under the new conditions. The device meets all EMC/RF requirements contained in Part 22H/24E/27.

The test reports supplied are compliant with RSS-132/RSS-133/RSS-139.

If you have any question regarding this authorization, please do not hesitate to contact us.

Sincerely,
