Re: FCC ID: GM37527BSHC

Subject: Submitted WLAN radiated test report applies to this filing, despite different FCC ID.

Dear examiner,

This filing is for part 15C DSS device WLAN radio portion of a composite device with final configuration integrating a WWAN radio, a WLAN radio and a Bluetooth radio in host models 7527C-BSHC and 7527S-BSHC.

The Bluetooth radio and WLAN radio have been approved by the FCC to collocate in the hosts in previously filing under FCC ID GM37527RA2041. The test report submitted, titled *FCC15 report WLAN part 1-6*, reflects this FCC ID and should apply to this filing.

If you have any questions please feel free to contact me directly.

Thank you!
