COMPLIANCE STATEMENT OF GMLNPM-8

The compliance statement can be seen in User Guide of GMLNPM-8 because the size of the handportable GMLNPM-8 and its identification label are so small that the compliance statement cannot be printed large enough to be visible.

NOKIA MOBILE PHONES

A handwritten signature in blue ink, appearing to read 'Mike Linstrom', is written over the printed name.

Mike Linstrom
Product Program Manager, Dallas

The wireless phone described in this guide is approved for use in GSM networks.

EXPORT CONTROLS

This product contains commodities, technology or software exported from the United States in accordance with the Export Administration regulations. Diversion contrary to U.S. law is prohibited.

FCC/INDUSTRY CANADA NOTICE

Your phone may cause TV or radio interference (for example, when using a telephone in close proximity to receiving equipment). The FCC or Industry Canada can require you to stop using your telephone if such interference cannot be eliminated. If you require assistance, contact your local service facility. This device complies with part 15 of the FCC rules. Operation is subject to the condition that this device does not cause harmful interference.
