Nokia Mobile Phones

7725 Woodland Center Boulevard, Suite 150
Tampa, Florida 33614
Phone: 1-888-NOKIA-2U Fax: 1-813-249-9619
TDD/TTY Users: 1-800-24-NOKIA (1-800-246-6542)

Headset Kit (HDC-9P)

Headset provides handsfree operation and has an answer/end button located in the microphone. It connects directly to the phone, requiring no additional adapter.

Also available:

Headset (HDE-1)

Loopset (LPS-1)

With the Nokia Loopset, people who use a T-coil equipped hearing aid have the freedom to talk on a digital mobile phone. The loopset goes around your neck - so it can be worn comfortably and discreetly.

Also available:

Phone Adapter for TDD/TTY and Headsets (HDA-8)

Leather Carrying Case (CSL-17)

Luxurious leather case protects your phone and has a convenient, integrated belt clip.

Data Cable (DLR-3P)

For e-mail, faxes, Internet and other data transmissions. Easy and convenient connection with no modem or PC card needed.

Compatible with:

Connectivity Deskstand (DCH-8D)

Complete Car Kit (CARK-91H)

Provides handsfree use and connection to an external antenna. Includes Privacy Handset (HSU-1) for private conversations.

Also available:

Complete Car Kit, without privacy handset (CARK-91)

Mobile Holder (MBC-1)

Holds phone securely in place while driving or during charging. Can be used with Rapid Cigarette Lighter Charger (LCH-9).
