COMPLIANCE STATEMENT OF GMLRH-42

The compliance statement can be seen in User Guide of GMLRH-42 because the size of the handportable GMLRH-42 and its identification label are so small that the compliance statement cannot be printed large enough to be visible.

NOKIA MOBILE PHONES

Mike Al-Mefleh

Product Program Manager, Dallas

The wireless phone described in this guide is approved for use in TDMA and AMPS networks.

EXPORT CONTROLS

This product contains commodities, technology or software exported from the United States in accordance with the Export Administration regulations. Diversion contrary to U.S. or Canadian law is prohibited.

FCC/INDUSTRY CANADA NOTICE

Your phone may cause TV or radio interference (for example, when using a telephone in close proximity to receiving equipment). The FCC or Industry Canada can require you to stop using your telephone if such interference cannot be eliminated. If you require assistance, contact your local service facility. This device complies with part 15 of the FCC rules. Operation is subject to the condition that this device does not cause harmful interference.
