User's Manual and Compliance Statement

The Remote Keyless Entry Transmitter is individually sold by the distributing supplier and as such it will require each transmitter sold to be accompanied with the FCC Statement Part 15.

The compliance statement for the RKE Transmitter will read:

FCC ID: GQ4-73T

IC: 1470A-54T

This device complies with Part 15 of the FCC Rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.
- (3) The FCC ID and IC will be laser etched on the product housing under the battery cover.

Le present appareil est conforme aux CNR d'Industrie Canada applicable aux appareils radio exempts de licence. L'exploitation est autorisee aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage.
2. L'utilisateur de l'appareil doit accepter tout brouillage radioelectrique subi, meme si le brouillage est susceptible d'en compromettre le fonctionnement.
3. L'ID FCC et IC sera gravé au laser sur le produit de logement sous le couvercle de la batterie.

WARNING: Changes or modifications not expressly approved by TRW Automotive U.S. LLC could void the user's authority to operate the equipment.

The term "IC:" before the radio certification number only signifies that Industry Canada technical specifications were met.
