

2001 JR/KJ RKE Transmitter

User's/Maintenance Manual & Compliance Statement

The transmitter is sold only as a part of a vehicle by the retail automobile dealers and as such has no separate manual.

The compliance statement for the RKE Transmitter will be integrated by the OEM into the vehicle owner's manual. It will read:

This device complies with part 15 of the FCC rules and with RS-210 of Industry Canada. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
