## USER'S/MAINTENANCE MANUAL & COMPLIANCE STATEMENT

The transmitter is sold only as a part of a vehicle by the retail automobile dealer and as such has no separate manual.

The compliance statement for the RKE Transmitter (FCC ID: GQ43VT18R) will be integrated by the OEM into the vehicle owner's manual. It will read:

This device complies with part 15 of the FCC rules and with RS-210 of Industry Canada.  
Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
