Re: Certification for TRW Receiver Door Control
PN: 89741-AA020

CANADA: to be provided by IC

REQUEST FOR CONFIDENTIALITY

Pursuant to 47 CRF 0.459, TRW requests that a part of the subject application be held confidential. This comprises Exhibits

- (5) Schematics
- (10) Parts List (Part of Exhibit only)

TRW has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will definitely result in a financial hardship.

If there are any questions regarding this request, please contact me at the above address or call 734-647-1792, (lab) 734-483-4211, fax 734-647-2106 or e-mail liepa@umich.edu.

Sincerely,
