Dear Mr. Johnson,
Below is the answer to your question.

We had no photographs from OATS and to be sure have repeated these tests again at the OATS. The results are quite similar to the previous ones and provided in the new revision of the test report.

Please refer to "VISRAD_FCC.16646_rev2" test report (Section 7.2, Table 7.2.3) uploaded via "Test report" folder and "Setup_photos_16646_rev1" uploaded via "Test setup photos" folder 12/14/2006.

With great respect,

Natasha
