RE: Due to the FCC rules we need either an authorization letter from Mr Scott Jensen in which he authorizes you and Arick Elshtein to act on this behalf

I, Scott Jensen hereby authorize Arik Elshtein to act on behalf of Visonic Group in all matters relating to certification (FCC, IC, ANSI standards, etc.).

In addition, please be advised that we moved our NorthAmerican offices from 10 Northwood to the 65 West Dudley Town Road address in 2004. This West Dudley Town Road location is our only address in NorthAmerica.

I hope this serves to clear up the open issues.

Best regards,

Scott Jensen, CPP
