Hi Helen,

Here are the answers to your questions on the above referenced application.

Question #1: Please provide one more setup photo to show clearly how the radio module is connected with the test fixture.
<CCS Answer:> Please see attached test fixture photos.

Question #2: Please provide one more label that will be affixed on the host device when the module is installed inside the host.
<CCS Answer:> Attached please find the new requested label. I hope this is sufficient.

Thank you.

Kindest regards,
September

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
